

ACADEMIC ALL-STATE INFORMATION

DUE November 13th, 2009!!!!

Students Recognized: All students with a 3.5 GPA or above will be recognized as academic all-staters. In addition, perfect 4.0 GPA's will be given special recognition.

Academic Requirements: Cumulative GPA should be based on the student's cumulative grades from the first semester of the 9th grade through the Spring of 2009 semester. **DO NOT** include the first nine weeks of this school year. If the student is in the 6th, 7th, 8th, or 9th grade, GPA should be figured based on last year's ('08-'09) total grade point. **DO NOT** include the first nine weeks of this year.

Please note: **DO NOT** calculate grades based on a weighted scale. All schools have a different weighted system, so we will only be using non-weighted scales for recognition purposes. GPA's should be accurate with 3 decimal places and **DO NOT** round up.

Procedure: Following the instructions below, please email (preferred) a list of ALL students on your squad and their corresponding GPA. If you would like to be considered for the overall Team GPA Winner, you must include even those that have below a 3.5 GPA. The team awards are always a tight race, so it is important to be accurate with your information. Also, please include the pronunciation as needed for those students carrying a 4.0.
